

## SOP for PDI

After Assigning the PDI from CGM\_QC side Pre Delivery Inspection will be done by Assigned inspecting Officer through Mobile Application

**Note:** Please make sure when you open the application your location is on and allow all the permission which was asked after installing the application.

1. Enter valid credentials for inspecting officer and click on login

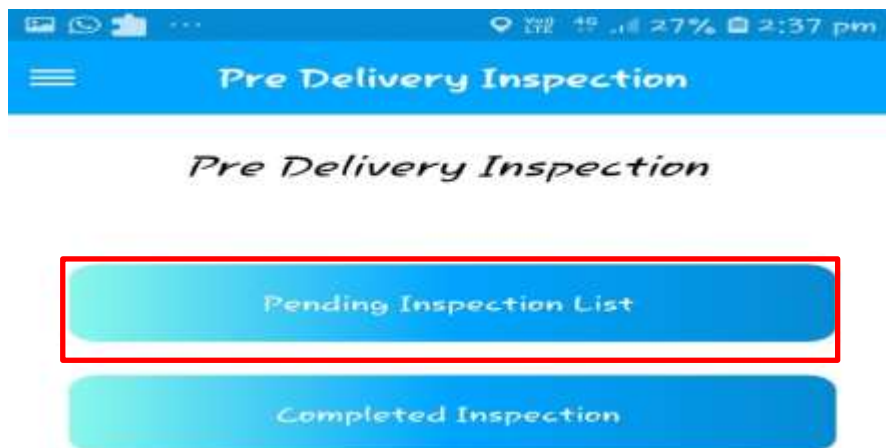

The screenshot shows the login interface of a mobile application. At the top, there is a blue header bar with the word "Login" in white. Below the header is the logo of MPMKVCL, which includes a gear and a sun-like symbol. Under the logo, there are two input fields. The first field is labeled "Username" and contains the text "mqp". The second field is labeled "Password" and contains masked characters "....". To the right of the password field is a blue eye icon. At the bottom of the form is a blue button with the word "Login" in white, which is highlighted by a red rectangular border.

2. After logged in dashboard will open click on pre-delivery inspection

3. After that click on pending inspection list

4. After clicking on pre delivery inspection you will get the list of material which was assigned by CGM QC officer for PDI now you can click on view to see the PDI assign letter and click on proceed for further process
